Dance Mode

Hold your tails, it's Dance Mode time!

1

The family are having lunch at a café. "Can we get the bill?" Bluey sings loudly. "Inside voice," Dad tells her. "Can we get the bill?" Bluey sings again, more quietly. Dad spots one last chip on Bingo's plate and nabs it. "I was saving that chippy," Bingo mumbles.

2

"How can we make it up to you, Bingo?" Mum asks outside the café. "I know!" Bluey yelps, and whispers an idea to Bingo. "Eeek! Dance Mode!" Bingo cheers. "Oh no," Mum and Dad sigh.

3

"You get **3 dance modes** and that's it," Dad tells Bingo. The family start to cross the road when they hear music playing from a car. "Shall we put Mum in dance mode?" Bluey asks Bingo. "Yes, OK," Bingo replies. Bluey pulls Mum's tail and... "DANCE MODE!" Mum starts dancing across the road. "Bluey, the next dance mode is gonna be mine to choose, not yours," Bingo tells her.

4

Next, the family are at the post office. "Are you gonna use your dance mode in here, Bingo?" Bluey asks. "No, I want to save it for somewhere special," Bingo says. Mum opens up a musical birthday card and it starts playing funky music. "Bingo, can I pleeease use a dance mode on your Dad?" she giggles. "OK..." Bingo says, sadly. Mum pulls Dad's tail and he starts dancing... in front of everyone!

5

A bit later, the family are walking through the city. "When are you going to use your last dance mode?" Bluey asks Bingo. "My last one? But I haven't even used my **first one** yet!" Bingo says. They spot a busker playing music in a crowd. "Is this a good place for your dance mode?" Bluey asks. "Ooh, yeah!" Bingo cheers. But Dad is too embarrassed. "Maybe we can forget about that last dance mode," he says. "I'm gonna buy your last dance mode for... 20 dollarbucks!"

6

"You can buy a Yes/No Button now!" Bluey squeals. "You push the Yes button and it says **YES**, and you push the No button and it says **NO**. Do you want it? Should we get it?" asks Bluey. "Um, OK," sighs Bingo... but she doesn't look very happy.

6

7

In the car, Bingo looks sad. "What's up?" Dad asks. "Do you not like your Yes/No Button?" Bluey asks. Bingo pushes the button, **NO**. "Is it because people keep taking things from you without asking?" Mum asks Bingo. Bingo pushes the **YES** button. "Like when I took your last chip?" asks Dad. "And I took one of your dance modes?" Mum says. **YES**. "But we all asked and Bingo said yes," Bluey says. "Sometimes does your outside voice say 'yes' when your inside voice really means 'no'?" Mum asks.

Everyone says sorry to Bingo. "Can you think of a way that we can make it up to you?" Bluey asks. Bingo presses the Yes/No Button – **YES**. She has an idea...

8

Back in the city, the busker is still playing cool music. "Ready, Bingo?" Bluey giggles. "Just dance like no-one's watching," Mum tells Dad. "I'm doing this for my kid!" Dad tells the crowd, aaand... DANCE MODE! Mum, Dad and Bluey take it to the MAX while the crowd cheers and claps around them. Wackadoo!

GROOVE ON THE MOVE!

Let's take this to the MAX!

Take this **DANCE MODE DANCE CUBE** out and about with you! Where will you end up groovin'?

YOU WILL NEED:

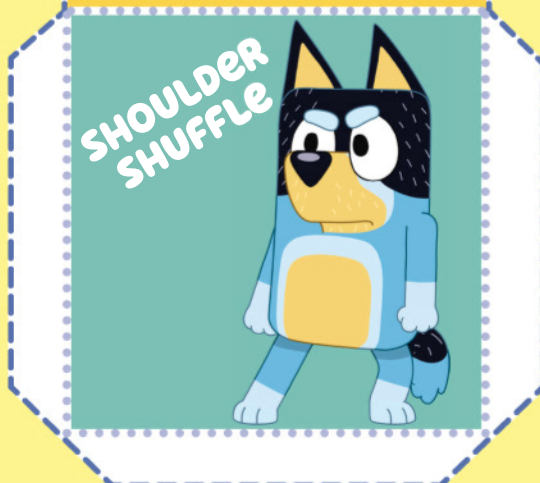

- scissors + glue
- cardboard
- a grown-up to help

1 Stick this page to cardboard. Then ask your grown-up to snip along the dashed lines.

2 Fold along the dotted lines and stick the tabs shut.

3 Roll the cube and copy whichever dance move it lands on!

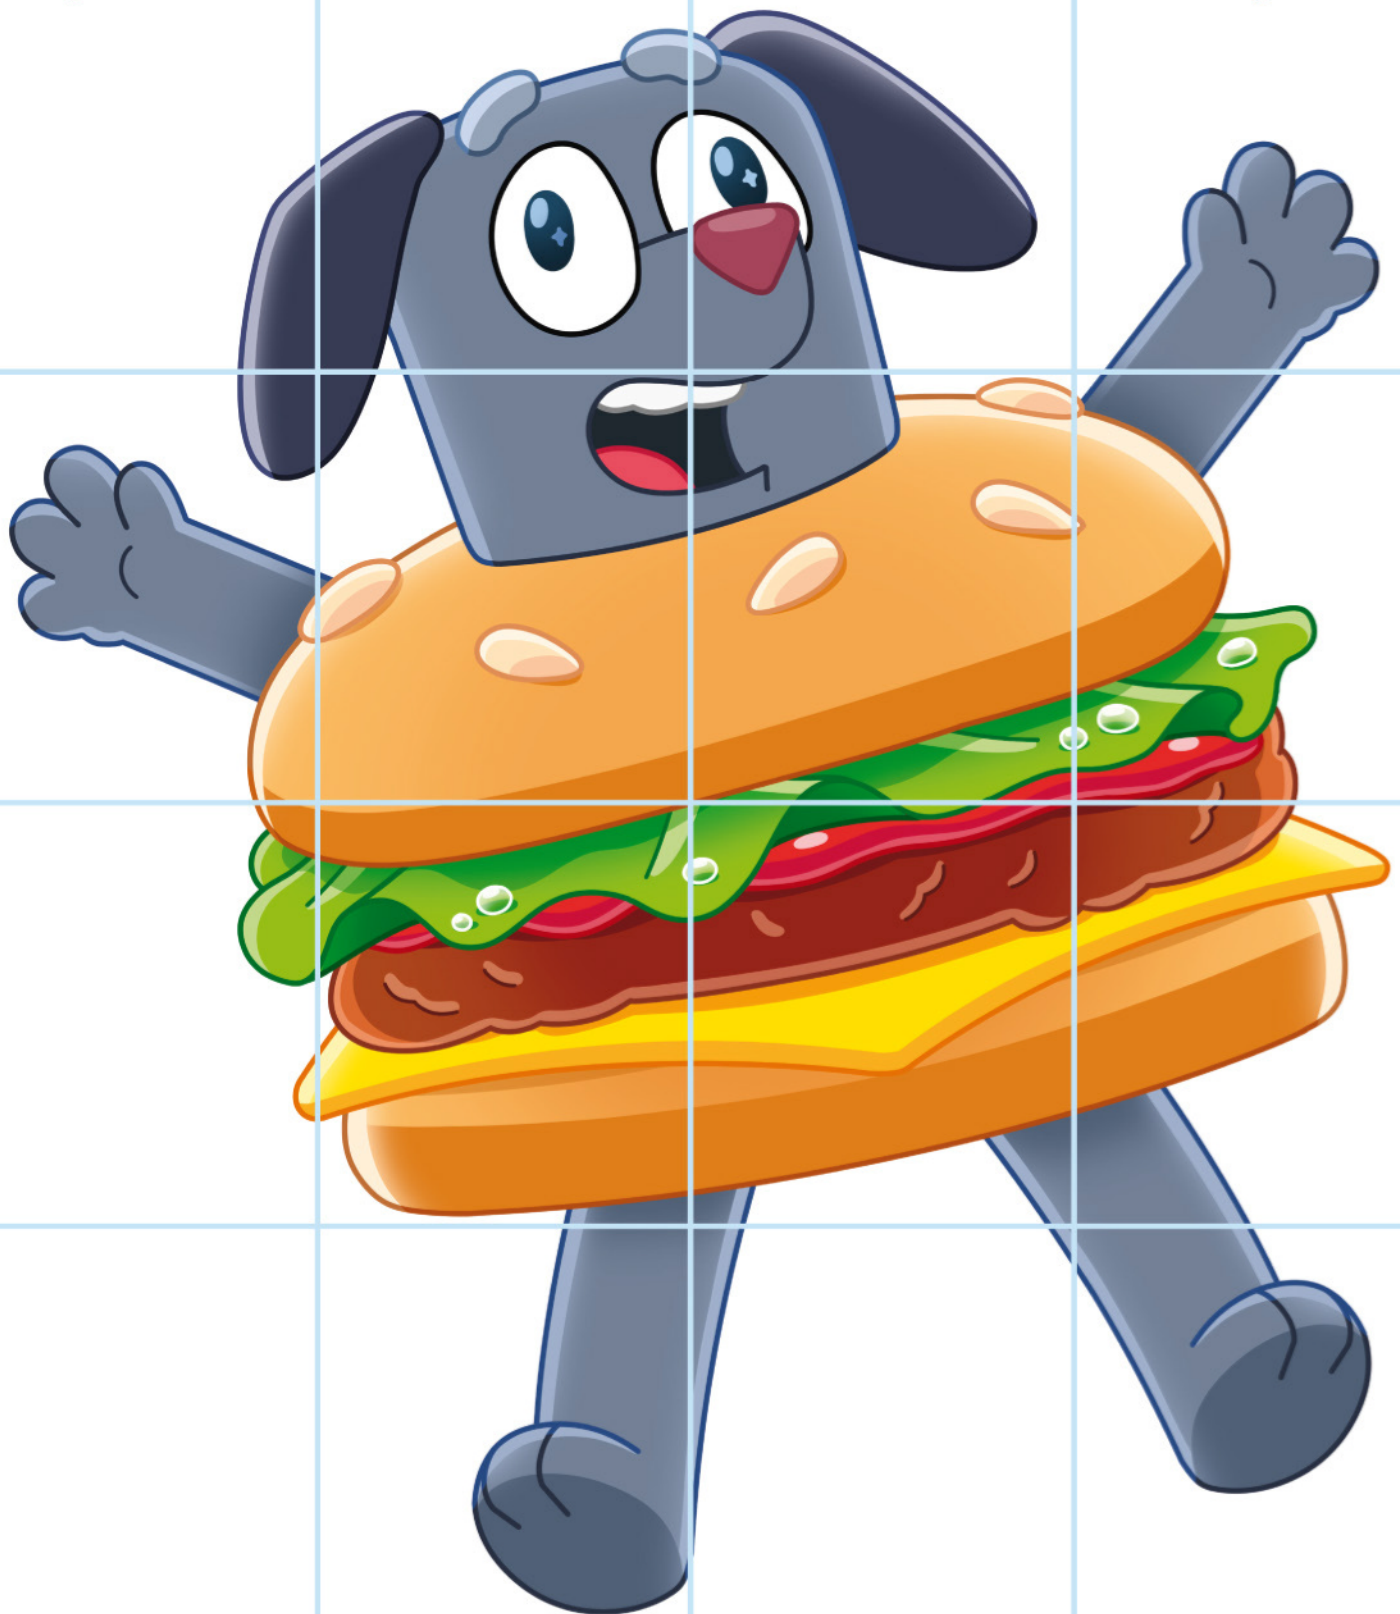

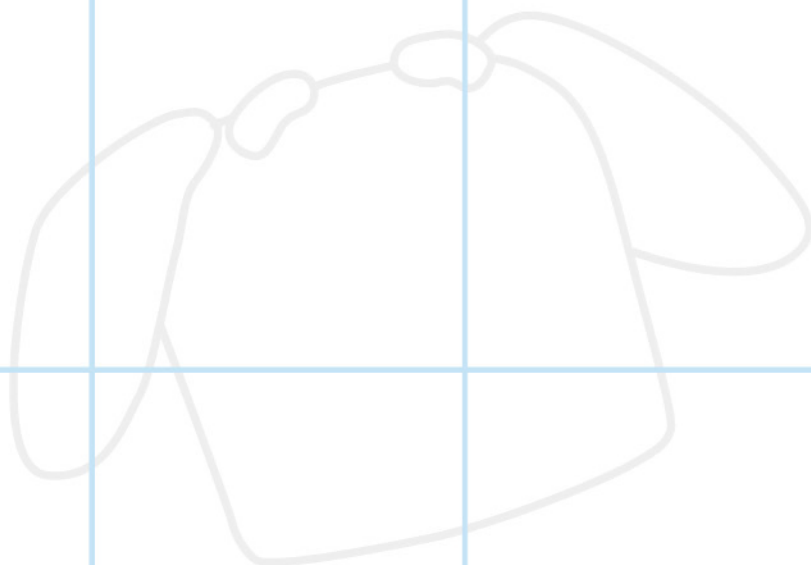

Now doodle yourself dancing in front of a crowd!

WATCH THE DANCERS
JIGGLE AND SWAY!

YOU WILL NEED:

- 1 big box, like a shoebox
- 3 smaller boxes for the DJ deck
- paints and tape
- foil, lolly wrappers and yarn or string
- a grown-up to help

Who wants to
daaaaaance?!

1 Turn your box so the open side is at the front. Paint the floor and stick foil or lolly wrappers at the back to make it bright and shiny!

2 Make curtains by sticking tissue paper around the edges. We used yarn and foil to make some fancy bunting and draped it around the top.

3 Every disco needs music! Snip out the cool DJ and paint 3 little boxes to look like his deck and speakers. Make his computer with a folded piece of card. Too easy!

4 Snip out all the wedding guests on the opposite page and tape strands of yarn to their backs.

5 Stick them to the top of the box on the inside so they hang down and do some dangly dancing! (Just jiggle the box a bit!)

6 Got any leftover foil? Scrunch it into a ball – it's a disco ball to hang in the middle of your dance floor. LET'S DANCE!
